## GET TOGETHER

PRINCIPLE 8: INTEGRATE RATHER  
THAN SEGREGATE

Ukulele  
Chords:

Lyrics & music by Charlie Jones. 2012.

I see you there on your own  
and I don't know  
what you're doing all alone  
There's not enough time in this life  
To be wrapped up in your own thing,  
just doing your own thing.  
Wrapped up in your own thing,  
thinking 'bout your own thing.

I've got an idea of things to do  
but they'd be ten times better  
if I did them with you  
So come over here, we'll make them happen  
with a bit of inspirational collaboration

Lets get together.

All my people in the neighbourhood  
We've lived here so long, what's going on?  
Don't even know your names, or what you  
do.  
but with a little bit of effort,  
we could make community.  
Yeah, with a little bit of effort,  
we could make community

Lets get together.

One and one has more than  
two functions we need to  
make the connections  
shed the illusion of separation

Everyone living on this land  
We could make light work  
if we gave each other a hand

Doesn't matter where you're from  
or who you are  
Yeah, we need some integration,  
no more segregation  
Yeah, we need some integration,  
no more segregation.

Let's get together.
